

UNIVERSITY OF NORTH CAROLINA WILMINGTON

August 26, 2016

Dear Recruiting Manager,

The purpose of this letter is to serve as a letter of recommendation for Linda Brandenstein in support of her application to your firm for a full time position. I got to know Linda over the course of the last couple of years when she attended University of North Carolina Wilmington as part of a dual degree program. While at UNCW Linda completed a concentration in international business, worked a full time 20 week internship, and completed a required bachelor's thesis as part of the program requirements.

It was through this Bachelor's thesis that I got to know Linda while I served as her advisor on the project. Linda was a conscientious and self-motivated student. She works well independently and produces very high quality work. In fact, I would argue that her writing and communication skills in English are indistinguishable from the top American students in our program.

Finally on a more personal note, Linda has a positive and upbeat personality that makes her a real pleasure to be around. Based on her strong academic performance as well as interpersonal skills I strongly support Linda's application for employment with your firm.

If you have any questions or comments you can reach me via e-mail at [portert@uncw.edu](mailto:portert@uncw.edu) or by phone (910) 962-7466. I would be happy to answer any of your questions about Linda.

Sincerely
